

REMARKS

This amendment is submitted to resolve antecedent basis issues in several claims and to add terminology at one point in the disclosure for consistency with the claims. The Applicants believe the changes in the claims clearly place the claims in better condition for appeal. The amendments do not add limitations to the claims or otherwise change the scope of the claims. Thus, these amendments are submitted in accordance with 37 C.F.R. §116, and the Applicants respectfully request that the amendments be entered.

Respectfully submitted,

SHAFFER & CULBERTSON, L.L.P.
